Dear Members and Affiliates,

Dr. Edith Reiman has resigned from the AMT Board. She has been with us about 15 years and graduated from ICBT & Midwest. Dr. Edith put the first King's Word Academy Yearbook together. She made various trips with the ministry in the U.S. and Foreign Field, providing photography for the Ministry. She is a lifetime Minister with AMT.

During the past three years she spent a lot of time at the Rosamond, California site, helping in the office and staying there, especially when either Dr. Thompson or our CEO, Dr. Teresa Sansfacon had to be gone.

We appreciate her and all the time she has given to AMT-ICBT. We also thank her for her years of Financial Support.

Please, pray for Dr. Edith and her family, and may God bless her abundantly.
