Greetings in Jesus Name.

The office in Norris City continues to be staffed by volunteers, however the phone number is no longer operational.

- The phone numbers are as follows:
 - California Office 661/528-4043 is now active
 - Dr. Thompson's cell 618/383-5805 continues the same
 - Message number 805/984-5631 call this number if no one answers cell or office

The message number is necessary because there is no voice mail set-up on the cell phone, and during the winter we are unsure of the reliability of the office line. When calling the message phone, you will hear it say "Carr Residence". Dr. Mary Carr is co-founder and a director of American Mission Teams Evangelistic Organization.
